A NIGHT OF
MUSIC,
LAUGHTER, AND
LETTING LOOSE
WHILE **HELPING**
KEEP FAMILIES
CLOSE.

This year, we are celebrating 20 years of caring for families here in Missoula and we plan to do it in a way that feels just right.

A packed room.

Hands in the air.

People singing at the top of their lungs.

Piano Palooza is not your typical fundraiser. It is a high energy dueling piano night where friends gather, tables turn into dance floors, and the entire room comes alive.

We are reaching out to a small group of partners we truly value to help us create that energy and to be right in the middle of it.

Our top sponsors will be seated front and center in our party section. These are the tables where the music is loud, the laughter is constant, and the night is unforgettable.

WHY IT MATTERS

Behind the music and laughter, your support helps provide families with a place to stay, a warm meal, and the comfort of being close to their child during some of the hardest days of their lives.

If you are interested in celebrating our 20th year in an even bigger way, we would be happy to connect about opportunities that also include our Bandana Ball this September.
